You've embraced the need for shop management.

Now don't accept anything less than the best!

*As a business owner, or manager, you know: To remain profitable it is more important than ever to work efficiently and effectively. Yet, did you know there may be wasted time and effort in your shop which could be costing you money, and, thereby, negatively affecting your profitability? That is why we would like to introduce you to **StockTrac[®] Enterprise Shop Management**. It is the most complete, customizable, and time tested solution available for managing an automotive repair shop in today's competitive environment.*

*We, at Janco International, Inc., believe a "one-size-fits-all" solution does not meet the needs of today's automotive shop. Yet, at the same time, a software solution should be affordable and offer immediate ROI. **StockTrac[®] Enterprise Shop Management** meets, and even exceeds, these criteria by offering you the ability to build your solution with the help of our expert staff – at a reasonable price!*

*With **StockTrac[®] Enterprise Shop Management** you will have all the tools you need to streamline your business – and the solid backing and support to implement them. Listed below are a few of the many tools included in **StockTrac[®] Enterprise Shop Management** that will boost your overall effectiveness and efficiency:*

- ✿ Quick and easy estimating/invoicing with direct access to part and labor guides*
- ✿ Access to the most comprehensive electronic catalogs in the industry*
- ✿ Inventory management/control for strict monitoring of stock and ordering*
- ✿ Margin control with visual meters for parts, jobs, and total tickets*
- ✿ Complete customer data management/marketing module built-in to the program*
- ✿ Unquestionably the highest quality technical support/customer service you will ever receive*

*Install the included Demo CD to begin experiencing what **StockTrac[®] Enterprise Shop Management** can do for you! We will follow-up with you in one week to answer any questions you may have, and to set an appointment for a demonstration.*
